On January 31, 2020, the undersigned officer received information from a friend of Ms. Rhodes stating he had found her "overdosed" in her room. He reported he had not heard from Ms. Rhodes and decided to go to her clean and sober residence to check on her.

A roommate at the residence reported she was in her room. Ms. Rhodes' friend knocked on her door, but did not hear a response. The door was locked from the inside. He gained entry to the room and found her on the floor with a needle in her mouth. He reported she appeared to have overdosed. He immediately called 911 and Ms. Rhodes was taken to Sacred Heart Hospital.

The undersigned officer spoke with a nurse at Sacred Heart Hospital and she reported Ms. Rhodes was brought in on a suspected heroin overdose. She was currently in their emergency room.

The U.S. Probation Office respectfully recommends the Court issue a warrant requiring the offender to appear to answer to the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
